

CONSULATE GENERAL OF GRENADA

STEPS FOR YOUR PURE SAFE TRAVEL

PROTOCOLS FOR ENTRY INTO GRENADA

Pre-Travel Protocols

1. Fully Vaccinated Visitors:

- a) You are considered FULLY VACCINATED two weeks after your last dose of the vaccination.
- b) Please visit our COVID-19 website to complete your [Travel Health Declaration Form](#).
- c) Be certain to get RT-PCR tested **72 hours prior to travel**.
- d) Here are the [Updated Protocols](#) for Fully Vaccinated Persons.
- e) Please print out your Travel Health Declaration Approval and Negative RT-PCR Results.

N.B.: Where non-vaccinated persons (*including children*) are travelling with vaccinated travellers, the entire party will be treated as un-vaccinated and subject to a minimum of seven (7) days in quarantine in the first instance. The party will be subject to PCR testing on day five (5) in quarantine. Results may take up to forty-eight (48) hours. If the results are negative, the party will be allowed to circulate among the community. If results are positive, the party will be quarantined for an additional period at the party's expense.

2. Un-Vaccinated Visitors:

- a) Only Grenadians are allowed into Grenada as un-vaccinated persons.
 - b) Please visit our COVID-19 website for the [Travel Protocols and to complete your Travel Health Declaration Form](#).
 - c) Be certain to get RT-PCR tested **72 hours prior to travel**.
 - d) Un-vaccinated persons require a PCR Test during quarantine. It should be paid online <https://pay.gov.gd> (US\$50/EC\$135) and the receipt uploaded to the *Travel Health Declaration Form*.
 - e) Un-vaccinated persons are subject to a minimum of seven (7) days in quarantine in the first instance.
 - f) The Individual(s) will be subject to PCR testing on day five (5) in quarantine. Results may take up to forty-eight (48) hours. If the results are negative, the party will be allowed to circulate among the community. If results are positive, the party will be quarantined for an additional period at the party's expense.
 - g) Please print out your Travel Health Declaration Approval and Negative RT-PCR Results.
3. Book your flight for Grenada. Make sure you do so with enough time to complete all your pre-travel protocols for Grenada (*Travel Health Declaration Form, Quarantine Accommodations (if applicable), RT-PCR Test etc.*)
 4. For those who qualify, book [approved quarantine accommodations](#) for a MINIMUM of 7 days. (*You will need your Accommodations Confirmation and your COVID-19 Confirmation numbers from the facility to complete your Travel Health Declaration Form.*)
 5. Un-vaccinated Travellers **must** meet one of the following criteria before applying for home quarantine (*application is part of the Travel Authorization form*):
 - a) If the person travelling is, or persons in the travelling party are over 65
 - b) Travelling with young children or minors in their party
 - c) Diplomats or Government Officials
 - d) Have a disability or medical condition
 - e) Any other extenuating circumstances, in the event that there is something that Health officials did not consider
 - f) Home must be inspected and deemed suitable for home quarantine (**Apply at least 7 days prior to travel**). The home **must** be un-occupied prior to traveller'(s) arrival.
 6. It is strongly recommended that **visitors** purchase Travel Insurance for your trip or if applicable, activate the Global Travel component of your Health Insurance with your carrier.

In-Country Protocols

7. **Fully vaccinated persons** can have their family/friends pick them up at the airport once they clear Customs and Immigration or request an **approved airport taxi** or **tour operator transfer service**. **Un-vaccinated persons**, once you have cleared Customs and Immigration, you will need to take an **approved airport taxi** or **tour operator transfer service** to your approved quarantine accommodations. Please be guided by your approved accommodation rules and protocols.
8. **Un-vaccinated persons, after** clearance is received from Health Officials, you may leave the quarantine hotel, or to continue your stay in the "non-quarantine" section of the property. See complete details <https://covid19.gov.gd/travel-covid/>.
9. Pure Safe Travel Approved Tourism Services must be used when interacting with the public. See details <https://www.puregrenada.com/approved-tourism-services/>.
